ABOUT US

Zhonghong Construction is a manufacturer specialized in manufacturing and distributing quality and economical scaffolds, formworks and structural steels. We are located in Tianjin, China, with convenient transportation access. All of our products comply with international quality standards and are greatly appreciated in a variety of different markets throughout the world.

GOAL

Customers satisfaction and success

EXPERTISE

25 years of manufacturing and exporting experience

CAPACITY

350 staffs & 130 sub-suppliers, up to 30000 tons of capability

SERVICE

Teamwork and prompt response for customers need whatever, whenever and wherever. Supplying products with variety and entirety or according to customer's & buyer's special requirement.

QUALITY

Meet BS/EN, ANSI, JIS, OSHA, AS/NZS

Under QC/QA complying with ISO9001

High strength premium materials

Quality work force and certified workers, such as welders

Various options of rust resistance

Long term cooperation with the first class shipping and forward company
